FOR IMMEDIATE RELEASE:

June is 35th Annual Adopt-a-Shelter-Cat Month: Humane Society of Scott County Offers Special Promotion to Celebrate

June 3, 2010—June is the 35th annual Adopt-a-Shelter-Cat month. To celebrate, anyone who adopts a cat in the month of June from the Humane Society of Scott County, located at 2802 W. Central Park Ave., will receive a free t-shirt.

Cats make wonderful pets for many reasons:

- Cats are very clean and bathe themselves daily
- Cats are very affectionate and love to cuddle
- Cats do not need a lot of space and are perfect for apartments and smaller homes
- Cats are a great way to teach responsibility to children while giving them a companion

Prospective adopters must be at least 18 years old, show proof of residence, and show proof of income. The cost to adopt one cat is \$60. All cats adopted from the shelter will be spayed/neutered.

The ASPCA estimates five to seven million animals enter shelters every year, and of those, approximately three to four million are euthanized. To help stop the overpopulation of homeless animals, all Quad City residents should have their cats spayed/neutered, create an ID tag for the collar, as well as open their homes to a homeless cat by adopting from the Humane Society of Scott County.
